

# GANAHL LUMBER

# TOOLBOX 2024

Prices good Nov. 1–Dec. 31  
See us to fill your toolbox with  
professional-grade tools &  
accessories from the most trusted  
names in the business. Limited to  
stock on hand. Not all product  
available in all locations.

# GANAHL LUMBER®

WE ARE MORE.

On the last page of this catalog, you'll see all the product categories we carry — but they don't tell the whole story. What's not there also tells a large part of it: no holiday or seasonal goods, potted plants, appliances, outdoor furniture, or grills — those are the territory of the consumer market. **Everything we carry is for professional contractors and those who make their living in the trades.**

## The People at Ganahl

Virtually everyone who works at Ganahl is an owner via our employee stock ownership plan. Their role as owners and investors means your success is ultimately theirs, so we are driven to focus on one goal: **Helping ensure your business is successful and profitable.**

## Pit-Stop Order Fulfillment

We borrowed this idea from the auto racing world. If you call in your materials order, we have it ready when you arrive. We track how long it takes you to get in and out, and **we constantly try to shave off seconds and minutes to save you time and money.** We also achieve the shortest delivery lead times possible by maintaining a huge selection and quantities of lumber, building materials, and other specialty items so **you don't have to make multiple stops to stock your job.**

## How it Started & How it's Going

It all started in 1884 when two Austrian brothers arrived in Los Angeles and started a lumberyard. Since then, we've thrived, struggled, nearly died, survived, then grew for 50 years. In 1972, Ganahl had two locations with about 35 employees; today, we have 11 locations throughout Orange and Los Angeles counties and the Inland Empire, and we intend to stay put. Everyone in the company lives here, so decisions are made locally — we don't report to anyone outside our market. We believe we owe our success to doing the right thing for contractors and customers right here.

140TH ANNIVERSARY  
**EMPLOYEE SPOTLIGHT**

**Doug Christensen, Maintenance Director**

- **Time with Ganahl:**  
39 years, since 1985.
- **Background/Experience:**  
3 yrs in High School Wood Shop. After college, started flipping Houses.
- **How do you achieve success in your role?**  
You must problem solve and be self-sufficient. Work harder than your peers and set the bar for the rest to see. Success will follow.

SINCE 1959 • INDUSTRIAL STRENGTH

**ROLAIR**

Offering a wide range of compressors to meet any construction need.

AIR COMPRESSORS BUILT TO ENDURE

Stocked in sizes from 8" to 60" diameters at select Ganahl locations.

● Our concrete forming tubes are perfect for columns, pilings, and footings. They are designed and built to withstand the rigors of construction sites and stand up to the hydrostatic load of a continuous concrete pour.

LET IT POUR.
